EAC Conclusion  
-----

[1](#)4. (S/NF) The EAC concluded that there have been no substantive changes in previously reported assessments of the local security environment since the last meeting held on February 20 (reftel A), and that the Embassy's FPCON and already heightened security posture remain appropriate. Nonetheless, the EAC remains acutely aware of the need to monitor both the regional and local security and threat environments, and is prepared to take the necessary countermeasures should changes to either occur. ABM, DCM, MGT, RSO, ARSO, RMAS, P/E, CONS, DAO, OMC (USDR), and ECA (USCENTAF) participated in the meeting, which preceded a meeting of the Visas Viper Committee.
